## Avoiding Wheat + Gluten

## Gluten Grains

$\rightarrow$ Barley
$\rightarrow$ Einkorn
$\rightarrow$ Emmer
$\rightarrow$ Farro
$\rightarrow$ Kamut
$\rightarrow$ Rye
$\rightarrow$ Spelt
$\rightarrow$ Triticale
$\rightarrow$ Wheat (common, hard/Abyssinian, soft, oriental, Persian, poulard, polish)

## Gluten Flours

$\rightarrow \quad$ Atta flour
$\rightarrow$ Barley flour
$\rightarrow$ Bleached flour
$\rightarrow$ Bread flour
$\rightarrow$ Enriched flour
$\rightarrow$ Farina
$\rightarrow$ Graham flour
$\rightarrow$ Kamut flour
$\rightarrow$ Maida
$\rightarrow$ Malted Barley flour
$\rightarrow$ Rye flour
$\rightarrow$ Spelt flour
$\rightarrow$ Unbleached flour
$\rightarrow$ Wheat flours

## Gluten Grain Products

$\rightarrow$ Alcohols (beer, bourbon, whiskey, etc.)
$\rightarrow$ Barley Malt (sometimes labeled as malt, malt extract or malt syrup)
$\rightarrow$ Bran
$\rightarrow$ Bulgur
$\rightarrow$ Couscous
$\rightarrow$ Germ
$\rightarrow$ Gluten (wheat or vital wheat)
$\rightarrow$ Matza/Matzah/Matzo
$\rightarrow$ Orzo
$\rightarrow$ Pasta
$\rightarrow$ Pearl Barley
$\rightarrow$ Seitan
$\rightarrow$ Semolina
$\rightarrow$ Starch
$\rightarrow$ Tabouli

Ingredients likely to contain gluten:
$\rightarrow$ Artificial color
$\rightarrow \quad$ Baking powder
$\rightarrow \quad$ Clarifying agents
$\rightarrow$ Coloring
$\rightarrow$ Dry roasted nuts (may have coatings or produced on machinery with gluten items)
$\rightarrow$ Emulsifiers
$\rightarrow$ Fat replacer
$\rightarrow \quad$ Ground spices and seasonings (may use wheat flour as an anti-caking agent)
$\rightarrow \quad$ Imitation seafood
$\rightarrow \quad$ Miso (often contains barley malt enzymes)
$\rightarrow \quad$ Natural juices/juice drinks (may contain barley ingredients)
$\rightarrow \quad$ Non-dairy creamer
$\rightarrow \quad$ Pre-gelatinized starch
$\rightarrow$ Protein hydrosolates
$\rightarrow$ Soba noodles
$\rightarrow$ Soy sauce
$\rightarrow$ Stabilizers
$\rightarrow$ Soup stock cubes
$\rightarrow$ Suet
$\rightarrow$ Tocopherols (often derived from wheat germ oil)
$\rightarrow$ Vegetable broth
$\rightarrow$ Vegetable gum
$\rightarrow$ Vegetable protein
$\rightarrow$ Vegetable starch
$\rightarrow$ Vitamins (especially chewable varieties)
$\rightarrow$ Yeast extract (autolyzed yeast extract)

## Other products likely to contain gluten:

$\rightarrow$ Delimeats
$\rightarrow \quad$ Canned soups
$\rightarrow$ Salad dressings
$\rightarrow$ Cereals
$\rightarrow$ Crackers
REMINDER
Any packaged or processed food, not labeled gluten-free, could potentially contain gluten. Take the time to read labels to avoid unwanted exposure.

NOTES
