

Residency Program - Preceptor Policy

All potential preceptors will be vetted prior to booking preceptorship hours.

The following requirements must be satisfied:

- Working knowledge of **Applied Kinesiology**, with the intention of completing the 100-hour AK course in the near future
- Intention of applying to the **Integrative Residency Program** within the next 2 years
- Completion of at least 2nd year at an accredited Naturopathic College

If you satisfy these requirements, please contact our Naturopathic Resident Doctor who will review your application and coordinate a preceptorship schedule. Please note the following criteria:

- All preceptors will be 4-hours in length
- All preceptors will initially preceptor with **Dr. Alex Chan**
- Initial preceptor sessions will include a 15-minute *Residency Information Session* with Dr. Alex Chan

Should you be interested in additional preceptorship with other Integrative Naturopathic Doctors, please inform our Resident Doctor with preferred dates and times.
